By signing this form, I (the "Participant") hereby acknowledge that the limited trading authority conferred on the Participant by the Plan's named fiduciary shall be exercised in accordance with the following terms and conditions, as well as the terms and conditions of the attached Fidelity BrokerageLink® Account Terms and Conditions, and my employer's retirement benefit plan indicated in Section 1 below (the "Plan").

Important Notice

Neither the Plan Sponsor nor any Plan fiduciaries (including, but not limited to, the Plan Administrator, the Plan's Administrative Committee, and Investment Committee) (together, "Plan Officials") have evaluated the investments available through this BrokerageLink® account option. The Plan does not and will not monitor the investments available under the BrokerageLink® account option. I understand that Fidelity BrokerageLink® is being offered solely to provide participants with additional flexibility in making their retirement plan investments. I further understand and acknowledge that: 1) the Plan does not make any representations or warranties as to the soundness of any investments available through the BrokerageLink® account option; 2) the Plan is not responsible for and will not review or monitor the investments available through BrokerageLink®; 3) the Plan is not responsible for and will not evaluate my investment choices; 4) it is my sole responsibility to determine if the investments available through BrokerageLink® are suitable for my personal retirement savings plan; 5) the Plan is not liable for any loss that may result from my investment choice(s) under BrokerageLink®; and 6) I assume all liability for losses/consequences attributable to any investment decision made in connection with my BrokerageLink® account. I understand that there may be additional fees and charges for my participation in the BrokerageLink® option, including but not limited to annual account maintenance fees, fees associated with each trade made via the BrokerageLink® option, and other fees as set and authorized by the Plan. I agree that these fees may be charged directly against my account balance.

Important Information about Procedures for Opening a New Account

To help the government fight the funding of terrorism and money-laundering activities, federal law requires Fidelity to verify your identity by obtaining your name, date of birth, address, and a government-issued identification number before opening your BrokerageLink® account. In certain circumstances, Fidelity may obtain and verify this information with respect to any person(s) authorized to effect transactions in an account. For certain entities, such as trusts, estates, corporations, partnerships, or other organizations, identifying documentation is also required. Your BrokerageLink® account may be restricted and/or closed if Fidelity cannot verify this information. Fidelity will not be responsible for any losses or damages (including but not limited to lost opportunities) resulting from any failure to provide this information, or from any restriction placed on, or due to the closing of, your BrokerageLink® account.

Important Information about Your Plan's BrokerageLink® Accounts

- Any applicable commissions or sales charges must be included in the transfer amount, and cannot be paid separately (an IRS requirement).
- The Fidelity BrokerageLink® Commission Schedule will apply to trades placed in the BrokerageLink® account over which you have been granted limited trading authority and is subject to change.
- If you have any questions, please contact Fidelity using your Plan's toll-free number.
- If you would like to trade options in the BrokerageLink® account, a separate options application must be completed to establish this feature. Please check your Plan's fact sheet to see if your Plan allows for options trading.

Fidelity BrokerageLink® Participant Agreement and Account Terms and Conditions

Nature of Services Provided

Upon acceptance by Fidelity Brokerage Services LLC ("FBS") and National Financial Services LLC ("NFS") (together "Fidelity" or "you" or "your") of my completed and signed BrokerageLink® Participant Agreement and Account Terms and Conditions (collectively, "Participant Agreement"), I understand that Fidelity will maintain a BrokerageLink® account in the name of the Trustee(s) of my employer's retirement benefit plan noted in the Plan Fact Sheet for BrokerageLink®. All decisions relating to any investment or trading activity will be made by me, and I shall accept full responsibility for such decisions. I agree to notify Fidelity in writing of any material changes in my financial circumstances or investment objectives.

Any information I provide to Fidelity may be shared with third parties for the purpose of validating my identity, and may be shared for other purposes in accordance with Fidelity's Privacy Policy. I agree that Fidelity may, but is not obligated to, perform a background check on me. Any information I give to Fidelity may be subject to verification, and I authorize Fidelity to obtain a credit report about me at any time. Upon written request, I will be provided the name and address of the credit reporting agency used. I agree that Fidelity has the right to reject my request for limited trading authority over the BrokerageLink® account as a result of such a credit report or for any other reason at any time.

I acknowledge that I am a Participant in a retirement benefit plan ("Plan") that is subject to the Internal Revenue Code ("IRC") and, if applicable, subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). I acknowledge that this BrokerageLink® account is governed by certain Plan documentation that sets forth the respective rights and obligations among the Plan, its fiduciaries, and Plan Participants. I acknowledge that, although certain restrictions have been imposed that are designed to prevent my investments and trading activity from violating applicable laws and the provisions of the Plan, Fidelity will not undertake to advise me whether my investment or trading activity does so comply, and I will make all such determinations. I acknowledge that I am prohibited from purchasing in this BrokerageLink® account any securities that the Plan Sponsor has designated as "Ineligible Securities." Ineligible Securities include but are not limited to securities issued by the Plan Sponsor or any entity controlling, controlled by or under common control with the Plan Sponsor (including but not limited to common, preferred and convertible stock, bonds, and options on such securities). I further acknowledge and agree that: (i) it is my responsibility to ensure that I do not acquire Ineligible Securities in my account; (ii) if Fidelity identifies an Ineligible Security in my account, Fidelity will sell or remove the Ineligible Security from the account unless directed by the Plan Sponsor; (iii) any associated costs or expenses will be charged to my account and will be payable under the terms of the Participant Agreement; (iv) I am responsible for any losses associated with the sale or removal of Ineligible Securities from my account including but not limited to any loss in value if the security is sold at a price lower than its purchase price; and (v) Fidelity, the Plan Sponsor, and the Plan's named fiduciaries will have no liability in connection therewith. I acknowledge that I have reviewed information regarding the policies and procedures applicable to this BrokerageLink® account, as well as acknowledge that other, more detailed, information has been made available to me on NetBenefits®, including but not limited to the Fidelity BrokerageLink® Commission Schedule, a BrokerageLink® handbook, and a BrokerageLink® fact sheet for my Plan.

I understand that Fidelity may charge certain additional fees for maintaining a BrokerageLink® account as more fully disclosed to me in the documents described above. I understand that, when I place a trade, Fidelity and/or one of its affiliates may receive payment for their role in completion of the transaction. I understand that in the event that there are insufficient funds in the BrokerageLink® core fund, as defined herein, to pay any fees or cover any debts due Fidelity or a third party, the Plan's named fiduciary has authorized Fidelity and its affiliates, without notice to me, to collect such amounts by selling securities held in the BrokerageLink® account or from the Plan's other investment options account. I understand that Fidelity may, upon direction from the named fiduciary and without notice to me, buy and sell securities in the BrokerageLink® account, and move assets into and out of the BrokerageLink® account. I acknowledge that, upon direction from the named fiduciary and without notice to me, Fidelity may liquidate the BrokerageLink® account and distribute the proceeds to me or move the assets to such other account as the named fiduciary may identify.

I understand that BrokerageLink® accounts are carried by NFS, an affiliate of FBS. I understand that Fidelity may monitor or record conversations with me for quality assurance purposes. I hereby consent to such monitoring and recording.

I understand that Fidelity will not be responsible for the accuracy, completeness, timeliness or use of any information received by me from third-party data services and that Fidelity does not make any warranty concerning such information.

Fidelity reserves the right to restrict my account from withdrawals and/or trades if there is a reasonable suspicion of fraud, diminished capacity, or inappropriate activity. Fidelity also

reserves the right to restrict my account from withdrawals and/or trades if Fidelity is put on reasonable notice that the ownership of some or all of the assets in the account is in dispute.

NFS transmits customer orders for execution to various exchanges or market centers based on a number of factors. These include size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement), access to reliable market data, availability of efficient automated transaction processing, and reduced execution costs through price concessions from the market centers. Certain of the market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, NFS's order-routing policies, taking into consideration all the factors listed above, are designed to result in favorable transaction processing for customers. NFS reserves the right to wait for the primary exchange to open before commencing trading in a particular security.

Industry regulations require that FBS and its clearing firm, NFS, allocate between them certain functions regarding the administration of my account. The following is a summary of the allocation of those functions performed by FBS and NFS. FBS is responsible for:

- (a) Obtaining and verifying account information and documentation
- (b) Opening, approving, and monitoring trading and other activity in my account
- (c) Accepting orders and other instructions from me regarding my account and for promptly and accurately transmitting those orders and instructions to NFS
- (d) Determining the suitability of any investment or investment strategy recommendations, and ensuring that those persons placing instructions for my account are authorized to do so. Neither NFS nor FBS will give me investment advice (within the meaning of ERISA). NFS will neither give investment advice under securities laws nor evaluate the suitability of investments or investment strategies made by me, my investment representative, or any other party.
- (e) Operating and supervising my account and its own activities in compliance with applicable laws and regulations, including compliance with federal, industry, and NFS margin rules pertaining to the margin account, and for advising me of margin requirements
- (f) Maintaining the required books and records for the services it performs
- (g) Investigating and responding to any questions or complaints I have about my account(s), confirmations, the periodic statement, or any other matter related to my account(s). FBS will notify NFS with respect to matters involving services performed by NFS.

NFS is responsible, at the direction of FBS, for:

- (a) The clearance and settlement of securities transactions
- (b) The execution of securities transactions, in the event NFS accepts orders from FBS
- (c) Preparing and sending transaction confirmations and periodic statements of my account (unless FBS has undertaken to do so)
- (d) Acting as custodian for funds and securities received by NFS for my account
- (e) Following the instructions of FBS with respect to transactions and the receipt and delivery of funds and securities for my account
- (f) Extending margin credit for purchasing or carrying securities on margin
- (g) Maintaining the required books and records for the services it performs

FBS and/or NFS receives remuneration, compensation, or other considerations for directing customer orders for equity securities to particular broker-dealers or market centers for execution. Such consideration, if any, takes the form of financial credits, monetary payments or reciprocal business.

Orders placed through Fidelity's telephone, electronic, online, or wireless trading systems cannot specify a particular market center for execution.

Redemption Features/Callable Securities Lottery

Certain debt securities may have redemption features in addition to those disclosed on the trade confirmation including, for example, special mandatory redemption features such as sinking funds provisions. It is the customer's obligation to review all disclosure documents the customer may receive, and to understand the risks of calls or early redemptions, which may affect yield. Issuers may, from time to time, publish notices of offers to redeem callable securities within limited time, price, and tender parameters. NFS is not obligated to notify customers of such published calls. Information about whether a municipal security is callable can be accessed via the Municipal Securities Rulemaking Board's Electronic Municipal Market Access ("EMMA") website (emma.msrb.org).

I acknowledge that when street name or bearer securities held for me are subject to a partial call or partial redemption by the issuer, NFS may or may not receive an allocation of called/redeemed securities by the issuer, transfer agent, and/or depository. If NFS is allocated a portion of the called/redeemed securities, NFS utilizes an impartial lottery allocation system, in accordance with applicable rules, that randomly selects the securities within customer accounts that will be called/redeemed. NFS's allocations are not made on a pro rata basis and it is possible for me to receive a full or partial allocation, or no allocation. I have the right to withdraw uncalled fully paid securities at any time prior to the cutoff date and time established by the issuer, transfer agent, and/or depository with respect to the partial call, and also to withdraw excess margin securities, provided my account is not subject to restriction under the Federal Reserve's Regulation T or such withdrawal will not cause an undermargined condition. If I have bought or sold a security, and prior to the settlement of my trade, the issuer initiates a call of the security, NFS reserves the right to cancel my trade. Customers are responsible for covering any outstanding short positions, as well as any other resulting costs in their account, that result from the lottery. For more information and an example of the impartial lottery process, I understand that if I need to I can go to personal.fidelity.com/products/fixedincome/FL_Common_Risk.shtml.

Fidelity's Role

I understand that Fidelity will execute transactions as I direct, consistent with my level of authorization. Fidelity assumes no responsibility for reviewing or monitoring my investment decisions or other activity in connection with the BrokerageLink® account.

I am responsible for determining whether any investment, security, or strategy is appropriate or suitable for me based on my investment objectives and financial situation, and Fidelity will not give me any tax, legal, or investment advice or recommendations.

Fidelity may collect and make nonpersonal historical trading data available to institutional clients on an aggregate basis for analysis purposes (such as trending).

My Role as Agent

I am solely responsible for all my trading and other activities in connection with the BrokerageLink® account. I agree to act in connection with the BrokerageLink® account only as specifically authorized, and to comply with all applicable laws and regulations in connection with the BrokerageLink® account.

1. Release and Indemnification. I agree to indemnify and to hold Indemnified Persons ("Indemnified Persons" means Fidelity, its control persons, officers, directors, agents, and employees, the Plan, the Plan Sponsor, and the Plan Fiduciaries) harmless from, and to pay the Indemnified Persons promptly upon demand for, any and all losses, liabilities, claims, and costs (including reasonable attorney fees) that may be brought against Indemnified Persons that arise from my acts or omissions with respect to the BrokerageLink® account. This Release and Indemnification is in addition to and in no way restricts any rights that may exist at law or under any other agreement(s) between Fidelity and me or between the Plan Fiduciaries and Fidelity.

2. Application Rules and Regulations. All transactions through Fidelity are subject to the constitutions, rules, regulations, customs, and usages of the exchange, market, or clearinghouse where executed, as well as to any applicable federal or state laws, rules, and regulations.

I am aware that various federal and state laws or regulations may be applicable to transactions in the BrokerageLink® account regarding the resale, transfer, delivery, or negotiation of securities, including the Securities Act of 1933 ("Securities Act") and Rules 144, 144A, 145, and 701 thereunder. I agree that it is my responsibility to notify you of the status of such securities and to ensure that any transaction I effect with you will be in conformity with such laws and regulations. I will notify you if I am or become an "affiliate" or "control person" within the meaning of the Securities Act with respect to any security held in the BrokerageLink® account. I agree that if I am, or later become, an "associated person" of a member firm of an exchange or FINRA, that I have obtained consent of the "employer member," and I have authorized Fidelity upon request by an employer member to transmit copies of confirmations and statements, or the transactional data contained therein, with respect to all of my accounts, including all accounts subject to FINRA rules and unit investment trusts, municipal fund securities, and qualified programs pursuant to Section 529 of the Internal Revenue Code. I will comply with such policies, procedures, and documentation requirements with respect to "restricted" and "control" securities (as such terms are contemplated under the Securities Act) as you may require. In order to induce you to accept orders with respect to securities in the BrokerageLink® account, I represent and agree that, unless I notify you otherwise, such securities or transactions therein are not subject to the laws and regulations regarding restricted and control securities. I understand that if I engage in a transaction that is subject to any special conditions under applicable law, there may be a delay in the processing of the transaction pending fulfillment of such conditions. I acknowledge that if I am an employee of an "affiliate" of the issuer of a security, any transaction in such security may be governed by the issuer's insider trading policy, and I agree to comply with such policy. Pursuant to industry regulations, I will also notify you if

I am or become affiliated or employed by a stock exchange, or member firm of an exchange or FINRA, a municipal securities dealer, or Fidelity.

I understand that if I or another individual associated with my account resides outside the U.S., Fidelity may at any time in its sole discretion terminate that relationship, or modify my rights to access any or all account features, products, or services. By opening or maintaining an account with Fidelity, I acknowledge that Fidelity does not solicit offers to buy or sell securities, or any other product or service, to any person in any jurisdiction where such offer, solicitation, purchase, or sale would be unlawful under the laws of such jurisdiction.

I understand that participation in shareholder voting and/or dividend payments in non-U.S. securities is subject to the rules and regulations of the non-U.S. market in which the security was issued and may require the disclosure of my personal information, including but not limited to name, address, and country of citizenship and/or residence.

3. Liability for Costs of Collection. I am liable for payment upon demand of any debit balance or other obligation owed in the BrokerageLink® account or deficiencies following a whole or partial liquidation, and I agree to satisfy any such demand or obligation. I agree to reimburse Fidelity for all reasonable costs and expenses incurred in the collection of any debit balance or unpaid deficiency in the BrokerageLink® account, including but not limited to attorneys' fees.

4. Security Interest. Any credit balances, securities, assets, or related contracts, and all other property in which I may have an interest held by you or carried for BrokerageLink® accounts shall be subject to a general lien for the discharge of my obligations to you, and you may sell, transfer, or assign any such assets or property to satisfy a deficiency or other obligation whether or not you have made advances with respect to such property. Shares of any investment company in which I have an interest and that Fidelity Management & Research Company ("FMRCo") serves as investment advisor and which are custodied, record kept, or otherwise administered by an affiliate of FBS or NFS, are also subject to a general lien for the discharge of my obligation to Fidelity, and Fidelity may redeem any such shares to satisfy my obligation without further notice or demand. No provisions of this agreement concerning liens or security interests shall apply to any BrokerageLink® account to the extent that such application would be in conflict with any provision of ERISA, or the Internal Revenue Code of 1986, as amended, relating to retirement accounts.

5. Extraordinary Events. Fidelity shall not be liable for any losses caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, or other conditions beyond its control, including but not limited to extreme market volatility or trading volumes.

6. Periodic Reports. I will receive a statement of all transactions quarterly, and monthly in the months in which there is activity in the BrokerageLink® account. The statement will detail securities bought or sold in the BrokerageLink® account, the number of fund shares that were purchased or redeemed, and any fees assessed.

If I live with immediate family members who also have eligible Fidelity accounts, I can "household" those accounts to potentially qualify for enhanced services and features. I may elect to have accounts householded by completing the information requested at fidelity.com/customer-service/how-to-relationshiphouseholding. I may also elect to have my statements combined or householded by completing the information requested at fidelity.com/customer-service/how-to-combine-statements. By electing to participate in householding, I agree that Fidelity may provide the employers of any householded account holders with account statements, trade confirmations, or other documents as required by applicable regulations.

7. Shareholder Rights. I understand that the Plan Sponsor has delegated to me the authority to exercise all shareholder rights relating to securities and mutual funds held in the BrokerageLink® account that would otherwise rest with the owner of such securities. These rights include but are not limited to proxies, tender offers, exchange offers, and securities law class actions. Pursuant to this delegation, I will receive materials regarding such rights, and will be responsible for completing and submitting any required instruction forms to provide direction regarding voting or tender offers, and I will submit any proof of claims necessary to participate in class actions.

8. Choice of Marketplace. When securities may be traded in more than one marketplace, in the absence of specific instructions from me, Fidelity may use its discretion in selecting the market in which to place my order.

9. BrokerageLink® Core Fund. Amounts contributed and received in this BrokerageLink® account will be invested in the Fidelity® Government Cash Reserves money market mutual fund (the "BrokerageLink® core fund"), subject to previous payment by me or on my behalf of any outstanding debit item for authorized payment of securities account settlements. The account statement for this BrokerageLink® account will detail all activity in the BrokerageLink® core fund. This is provided in lieu of a confirmation that might otherwise be provided to me with respect to those transactions. In addition, if Fidelity has reason to believe that assets were incorrectly credited to my account, Fidelity may restrict such assets and/or return such assets

to the account from which they were transferred. Any cash balances in the BrokerageLink® account will be automatically invested on a daily basis in the BrokerageLink® core fund. I understand that FMRCo will receive a fee as more fully described in the BrokerageLink® core fund prospectus for serving as investment advisor to the BrokerageLink® core fund.

Investments in the BrokerageLink® core fund are made by transferring cash from my Plan's other investment options or directing payroll deduction to the BrokerageLink® account. These investments are promptly credited to the BrokerageLink® core fund and will earn dividends of the BrokerageLink® core fund as described in that fund's prospectus. Only retirement savings plan assets may be invested in this BrokerageLink® account; any attempt to invest non-retirement savings plan money into a BrokerageLink® account will be rejected or withdrawn immediately at my expense upon direction from the named fiduciary without notice to me.

Shares of the BrokerageLink® core fund will be redeemed at their net asset value. Such shares shall automatically be redeemed to satisfy debit balances in the securities account and other authorized items upon direction from the named fiduciary without notice to me.

The available options for my core position may include a money market mutual fund, a bank sweep, or a taxable interest-bearing option. More details about the money market mutual fund and bank sweep can be found in the fund's prospectus or the FDIC Insured Deposit Sweep Program Disclosure, respectively, both of which will be made available to me when applicable. The taxable interest-bearing option represents funds payable to me on demand by Fidelity. Subject to applicable law, Fidelity may use these funds in connection with its business. Fidelity may, but is not required to, pay me interest on these funds. Interest, if paid, will be based on a schedule set by Fidelity, which may change from time to time in Fidelity's sole discretion. Fidelity reserves the right to make changes to the available options and/or the options available to me.

I ratify any instructions given on this BrokerageLink® account and any account of another Fidelity fund into or from which I exchange, and agree that neither Fidelity nor the fund's transfer agent will be liable for any loss, cost, or expense for acting upon such instructions if Fidelity follows reasonable procedures designed to prevent unauthorized transactions. I understand that it is my responsibility to read the prospectus of any other Fidelity fund or non-Fidelity fund that I purchase or into which I exchange.

I have received and read a copy of the prospectus of the BrokerageLink® core fund, containing a more complete description of the fund, and its fees, charges, and operations.

10. Payment of Items. I understand that all debit items, including securities purchased in this BrokerageLink® account, will be accumulated daily and that you will promptly pay each on my behalf to the extent that sufficient funds are available. I will maintain sufficient assets in this BrokerageLink® account to satisfy all obligations as they become due. I understand that payment of any debit item in this BrokerageLink® account will be made from the proceeds of the redemption of BrokerageLink® core fund shares that the Plan will instruct Fidelity to redeem to pay such items. I further understand that the Plan may liquidate positions held in this BrokerageLink® account in accordance with underlying Plan documents. If a check issued to me from my account remains uncashed and outstanding for at least six months, I authorize and instruct Fidelity, in its sole discretion, to cancel the check and return the underlying proceeds to me by depositing the proceeds into my account's core position.

11. How Transactions are Settled.

Credits to the Account. During normal business hours ("Intra-day"), activity in the account such as deposits and the receipt of settlement proceeds are credited to the account and may be held as a free credit balance (the "Intra-day Free Credit Balance").

The Intra-day Free Credit Balance, if any, generated by such activity occurring prior to the market close each business day (or 4:00 PM ET on business days when the market is closed and the Fedwire Funds Service is operating) is automatically swept into the core position, where it is handled as described in the BrokerageLink Core Fund section of this Agreement, except as otherwise noted therein.

Activity in the account such as deposits and the receipt of settlement proceeds may also occur after the cut-offs described above, or on days the market is not open and the Fedwire Funds Service is not operating (collectively "After-hours"). Those amounts are credited to the account and may be held as a free credit balance (the "After-hours Free Credit Balance"), in which case it will be included in the next sweep into the core position.

There will be an additional automatic sweep into the core position early in the morning prior to the start of business on each business day. This sweep will include your After-hours Free Credit Balance along with credit amounts attributed to certain actual or anticipated transactions that would otherwise generate an Intra-day Free Credit Balance on such business day.

Like any free credit balance, the Intra-day and After-hours Free Credit Balances represent amounts payable to you on demand by Fidelity. Subject to applicable law, Fidelity may use these free credit balances in connection with its business. Fidelity may, but is not required to, pay you interest on free credit balances held in the account overnight;

provided that the accrued interest for a given day is at least half a cent. Interest, if paid, will be based upon a schedule set by Fidelity, which may change from time to time at Fidelity's sole discretion.

Interest paid on free credit balances will be labeled "Credit Interest" in the Investment Activity section of the account statement. Interest is calculated on a periodic basis and credited to the account on the next business day after the end of the period. This period typically runs from approximately the 20th day of one month to the 20th day of the next month, provided, however, that the beginning and ending periods each year run, respectively, from the 1st of the year to approximately the 20th of January, and approximately the 20th of December to the end of the year. Interest is calculated by multiplying your average overnight free credit balance during the period by the applicable interest rate, provided, however, that if more than one interest rate is applicable during the period, this calculation will be modified to account for the number of days each period during which each interest rate is applicable.

Debits to the Account. All debit items, including securities purchases, are paid daily to the extent that sufficient funds are available. Note that debits to resolve securities transactions will be given priority over other debits.

You are responsible for satisfying all debits on the account, including any debit balance outstanding after all assets have been removed from an account, and any costs (such as legal fees) that we incur in collecting the debit.

To help ensure the proper discharge of debits, it is our policy (unless we agree to do otherwise) to do the following when settling debits against the account.

If there are debits in the account generated by such activity occurring prior to the market close each business day (or 4:00 PM ET on business days when the market is closed and the Fedwire Funds Service is operating) these debits will be settled using the following sources, in this order:

- any Intra-Day Free Credit Balances
- the core position
- any shares of a Fidelity money market mutual fund held in the account that maintains a stable (i.e., \$1.00/share) net asset value and is not subject to a liquidity fee or similar fee or assessment

There will be an additional sweep early in the morning prior to the start of business on each business day, and certain unsettled debits in the account along with debits associated with certain actual or anticipated transactions that would otherwise generate a debit in the account during the business day will be settled using the core position.

Money market fund shares used to pay debits are redeemed at the share price in effect at the time.

12. Receipt of Communications. Communications by mail, electronic means, messenger, telegraph, or otherwise sent to me at the U.S. postal or electronic mail address of record listed, or any other address I may have given FBS, are presumed to be delivered to and received by me, whether actually received or not. I understand that I should promptly and carefully review the transaction confirmations and statements and notify you of any errors. Information contained on transaction confirmations and account statements is conclusive unless I object in writing within five and ten days, respectively, after transmitted to me.

If I have authorized someone to act on my behalf in my account, any and all disclosures, required or otherwise, may be provided solely to the individual acting on my behalf as part of the scope of his or her authority.

13. Communications Delivery. My retirement benefit plan account communication delivery designation will apply to my Fidelity BrokerageLink® account.

14. Termination of Account. This BrokerageLink® account may be terminated by me, by the named fiduciary, or by Fidelity, at any time. This agreement will remain in effect until its termination is acknowledged in writing by an authorized representative of FBS. I will remain responsible for all charges, debit items, or other transactions initiated or authorized by me, whether arising before or after termination.

FBS reserves the right to charge a service fee or close any BrokerageLink® account that fails to maintain minimum activity or balance requirements, and further reserves the right to close a BrokerageLink® account or remit credit balances because of insufficient investment-related activity.

FBS may periodically review the account activity in this account, and reserves the right to charge reasonable inactivity fees or close or change the optional account features, fees, and services for any reason, including but not limited to insufficient investment-related activity in accordance with the regulations of the New York Stock Exchange. FBS will notify me if any changes or charges are imposed. Termination will result in the cancellation of this securities account and other features or privileges.

15. Beneficiaries. My retirement benefit plan account beneficiary designation will also apply to my Fidelity BrokerageLink® account.

16. FINRA BrokerCheck. As part of the Financial Industry Regulatory Authority (FINRA) BrokerCheck program, I have access to the FINRA BrokerCheck hotline at 800-289-9999 and the FINRA website at finra.org. An investor brochure may be obtained at msrb.org that describes the protections that may be provided by the MSRB and how to file a complaint with an appropriate regulatory authority.

18. Modification and Miscellaneous. No provision of this agreement can be amended or waived, except in writing by an authorized representative of FBS. If any provision of this agreement becomes inconsistent with any present or future law or regulation of any entity having regulatory jurisdiction over it, that provision will be superseded or amended to conform to such law or regulation, but the remainder of this agreement will remain in force and effect.

The failure of Fidelity at any time to require performance by me of any provision of the terms and conditions of this agreement will not limit the right to require such performance at any time thereafter. Fidelity reserves the right, at its sole discretion and without previous notice, to restrict or limit any transaction or series of transactions in any investment company advised or managed by Fidelity or its affiliates that Fidelity determines may adversely affect the investment company or its shareholders. Any failure to provide accurate trading or allocation instructions, including options transactions, may result in losses in this account. I may not assign this or any related agreement without previous written consent of Fidelity.

Electronic Services Customer Agreement

1. Overview. I understand that this Agreement ("Agreement") between Fidelity and me (Fidelity refers to Fidelity Brokerage Services LLC, Fidelity Distributors Company LLC, and National Financial Services LLC, as the context may require) states the terms and conditions of my use of Fidelity's Electronic Services. Fidelity's Electronic Services (the "Services") include but may not be limited to Fidelity.com, Fidelity Automated Service Telephone (FAST®), Fidelity Active Trader Pro®, Fidelity's alerts and wireless trading services, and any online securities trading or informational system, Web-based, wireless, or otherwise, established by Fidelity directly or through online business partners that Fidelity may make available in the future. The Services make available to me a variety of interactive computer, handheld device, and telephone services that generally allow me to access my Fidelity accounts, enter orders to buy and sell certain securities, and obtain quotations and other information via electronic transmission.

I agree to use the Services only in accordance with this Agreement.

2. Responsibilities of User; Scope of Use. I shall be the only authorized user of the Services under this Agreement and shall only use the Services for my personal, noncommercial purposes. I agree not to disseminate any information obtained under this agreement in any manner to third parties without the express written consent of Fidelity. I shall be responsible for the confidentiality and use of my password(s) and other security data, methods, and devices. I understand that I shall be solely responsible for all orders electronically transmitted, or use of any data, information, or services obtained using my passwords and other security data. I accept full responsibility for the monitoring of my account. I agree that Fidelity shall not be under a duty to inquire as to the authority or propriety of any instructions given to Fidelity by me or via my password, and shall be entitled to act upon any such instructions; and Fidelity will not be liable for any loss, cost, expense, or other liability arising out of any such instructions. I agree that the Services are the proprietary property of Fidelity and/or third parties from which Fidelity has obtained rights.

I understand that I must use caution when placing market orders because the price of securities may change sharply during the trading day or after hours, and that if I have limited assets to pay for a transaction, such as in a retirement account with contribution restrictions, I should consider placing a limit order. In addition, I understand and agree that if I cannot pay for a transaction, Fidelity may liquidate account assets at my risk. I also understand that during periods of heavy trading or volatility, the quotes provided as "real time" may not reflect current market prices or quotes. In addition, when quotes are rapidly changing, each quote update may not be reported to me.

I represent and agree that the following statements are and will continue to be true for so long as I have access to the Services: (a) I will not use any information or market data provided by a national securities exchange or association in connection with any professional or commercial activities, and I agree to notify you if I intend to do so and to pay any additional charges in connection therewith; and (b) I will not use the Services in conjunction with any business as a broker-dealer, investment advisor, futures commission merchant, commodities-introducing broker or commodities-trading advisor, member of a securities exchange or association or futures contract market, or an owner, partner, or associated person of any of the foregoing; and (c) if I am employed by a bank or insurance company or an affiliate of either, I will not perform functions related to securities or commodity futures trading activity, except with respect to my personal account(s) with Fidelity.

3. User Consent. I understand that if I use any of your Services, or if I provide you with my email address, I will have my personal financial information transmitted electronically, and I will receive my initial notice of your privacy policy electronically. This includes but is not limited to the identity and number of shares that I trade and the net dollar price for the shares. I consent to the transmission by electronic means of such information through the Services; such consent shall be effective at all times that I use the Services.

If I use a Service, I agree and consent to receive Fidelity's privacy notices or policies electronically, and to such end Fidelity and its affiliates may post privacy notices or policies on its websites.

I understand that telephone calls to Fidelity may be monitored or recorded, and hereby consent to such monitoring or recording.

4. Error Notification. I understand that all trade orders placed through the Services are at my sole risk and responsibility. I further understand that I must notify Fidelity of the existence of certain circumstances relating to my use of the Services. Specifically, I agree that any trade orders given by me and any information furnished to me by use of the Services shall be subject to the following terms and conditions:

- (a) If an order has been placed through the Services and I have not received a reference number reflecting the order, I shall immediately notify Fidelity.
- (b) If an order has been placed through the Services and I have not received an accurate written confirmation of the order or of its execution within five (5) business days, I shall immediately notify Fidelity.
- (c) If I have received confirmation of an order that I did not place or any similar conflicting report, I shall immediately notify Fidelity.
- (d) If there is a discrepancy in the account balance, security positions, or order status reported to me by Fidelity, I shall immediately notify Fidelity.
- (e) If there is any other type of discrepancy or suspicious or unexplained occurrence relating to the Services or my account, I shall immediately notify Fidelity.
- (f) All notifications to Fidelity pertaining to this Agreement shall be directed to Fidelity Investments Client Services, P.O. Box 770001, Cincinnati, OH 45277-0045, or shall be directed to Fidelity's attention by calling 1-800-544-6666.
- (g) I shall immediately notify Fidelity if my password and/or Access Device I use with the Services is lost or stolen or if there is unauthorized use of my password.

If I fail to notify Fidelity when any of the above conditions (a)–(f) occurs [and in any event if the above condition (g) occurs], neither Fidelity nor any of its employees, agents, affiliates, subsidiaries, control persons, its parent, or any third parties can or will have any responsibility or liability to me or to any other person whose claim may arise through me for any claims with respect to the handling, mishandling, or loss of any order or information. Notwithstanding my notification to Fidelity, Fidelity shall not be liable for any losses related to the Services except as expressly set forth in this Agreement. I understand that Fidelity shall not be deemed to have received any order electronically transmitted by me until Fidelity has acknowledged to me that the order has been received by Fidelity. I accept full responsibility for the monitoring of my account.

5. Limitation of Liability and Disclaimer of Warranties. Any liability arising out of the Services for which Fidelity is determined to be responsible shall be limited to an amount equal to the benefit that would have resulted from the transaction during the time periods in which I should have acted, as specified in Section 4 of this agreement.

Additionally, I understand that Fidelity will not be responsible for the accuracy, completeness, timeliness, or use of any information received by it or received by me through the Services, and that Fidelity does not make any warranty concerning such information. I understand that all orders placed through the Services are at my sole risk and responsibility. I agree that neither Fidelity nor any third party working with Fidelity to provide services hereunder shall be responsible for any damages caused by communications line failure, unauthorized access, theft,

systems failure, and other occurrences beyond its reasonable control. I agree to provide all telephone and other equipment to access the Services and I will be solely responsible for paying all charges related thereto.

I expressly acknowledge and agree that the use and storage of any information, including, without limitation, transaction activity, account balances, and any other information or orders available through use of the Services is at my sole risk and responsibility. NEITHER FIDELITY NOR ANY THIRD PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN RESPECT OF THE SERVICES OR ANY INFORMATION PROGRAMS OR PRODUCTS OBTAINED FROM, THROUGH, OR IN CONNECTION WITH THE SERVICES. IN NO EVENT WILL FIDELITY OR ANY THIRD PARTY BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY DEFECT IN OR USE OF THE SERVICES.

6. Commission Policy and Other Charges. Commission discounts may be available to Fidelity BrokerageLink® accounts that utilize the Services. However, such discounts will not apply to any transactions that for any reason cannot be placed and executed through the Services.

I agree to be liable for any and all fees, charges, or expenses that Fidelity may charge or I may incur in connection with the use of the Services by me or any other person through the use of my security codes, equipment, or otherwise. I understand that the rates, fees, billing, and terms governing services provided by Access Device vendors or Providers may be determined solely by such third parties. I understand and acknowledge that Fidelity is not delivering telecommunication, Internet, paging services, or any other means of electronic access and that I am responsible for maintaining appropriate contracts with third parties to obtain such services. I agree to obtain access to and be solely liable for all payments related to all equipment and Access Devices necessary to access the Services. I further understand that my ability to make use of the Services may be limited by technical or other limitations present in the equipment and Access Devices I use to access the Services.

7. Market Data. I understand that each participating national securities exchange or association asserts a proprietary interest in all the market data (including, without limitation, real-time quotes) it furnishes to the parties that disseminate the data. I also understand that neither Fidelity nor any participating national securities exchange or association, nor any supplier of market data, guarantees the timeliness, sequence, accuracy, or completeness of market data or any other market information, or messages disseminated by any party. Fidelity shall not be liable in any way, and I agree to indemnify and hold Fidelity harmless from and against any and all claims, demands, actions, losses, damages, liability, or costs, charges, counsel fees, and expenses of any nature ("Losses") arising from or occasioned by (a) any inaccuracy, error, or delay in, or omission of, (i) any such data, information, or message, or (ii) the transmission or delivery of any such data, information, or message, or (b) any Losses arising from or occasioned by (i) any such inaccuracy, error, delay, or omission, (ii) nonperformance, or (iii) interruption of any such data, information, or message, due either to any act or omission by Fidelity or any other disseminating party or to any "force majeure" (i.e., flood, extraordinary weather conditions, earthquake, or other act of God; fire, war, insurrection, riot, labor dispute, accident, action of government, communications or power failure, equipment or software malfunction) or any other cause beyond the reasonable control of any disseminating party. I understand that the terms of this Agreement may be enforced directly against me by the national securities exchanges and associations providing market data to me.

I understand that the data, content, reports, and tools available through the Services are subject to change at any time without prior notice to me and I accept those modifications if I continue to use the Services.

8. Incorporation of Other Fidelity Agreements. I understand that my use of any Fidelity software may be subject to the terms of a separate license agreement contained with the software, and that my use of Fidelity online Services may be subject to license or usage terms posted online by Fidelity. I agree to be bound by the terms of such license agreements, including, without limitation, the prohibitions on distribution and copying, the exclusion of all representations and warranties, and the limitation of remedies contained therein.

I understand that all the terms and conditions that govern the account(s) at Fidelity that I access via the Services, including, without limitation, the Fidelity Brokerage Customer Agreement, Margin Agreement, Options Agreement, Fidelity Non-Prototype Retirement Account Customer Agreement, Fidelity BrokerageLink® Participant Agreement, and Account Terms and Conditions, and/or applicable mutual fund prospectus(es), are incorporated herein by reference. In addition, I understand that trading in my account is subject to Fidelity's trading policies and limitations that are in effect and subject to change from time to time.

9. Security. To the extent that any Services use Internet, wireless, or related electronic or telephonic services to transport data or communications, Fidelity will take reasonable security precautions, but Fidelity disclaims any liability for interception of any such data or communications. Fidelity shall not be responsible for, and makes no warranties regarding, the access, speed, or availability of such services.

10. Modification and Termination. I agree that Fidelity may modify, change, or discontinue the Services in whole or in part, at any time. I agree that Fidelity may immediately terminate its provision of the Services to me if I breach this Agreement, if I have jeopardized the proper and efficient operation of the Services, or if I engage in activity that is contrary to Fidelity's policies. Any unauthorized use of the Services, whatsoever, shall result in automatic termination of this Agreement.

Fidelity may revise, modify, or amend this Agreement at any time without notice. I understand that I should check this Agreement regularly. If a court of competent jurisdiction deems any provision of this Agreement unenforceable, that provision will be enforced to the maximum extent permissible, and the remaining provisions will remain in full force and effect.

Fidelity may send notices by U.S. mail, via electronic broadcasts through the Services, or through other means, to inform me of changes to the Services or this Agreement.

11. Choice of Law. I acknowledge that this Agreement constitutes the entire agreement between Fidelity and me with respect to its subject matter. This Agreement and its enforcement shall be governed by the laws of the Commonwealth of Massachusetts, except with respect to conflicts of law, and shall inure to the benefit of Fidelity's successors and assigns, whether by merger, consolidation, or otherwise.

Information about Mutual Fund Performance

A fund's yield and return will vary. A fund's share price will also vary, and I may have a gain or loss when I sell my shares. **You could lose money by investing in a money market fund. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The fund's sponsor has no legal obligation to provide financial support to money market funds and you should not expect that the sponsor will provide financial support to the fund at any time.** Fidelity's government and U.S. Treasury money market funds will not impose a fee upon the sale of your shares, nor temporarily suspend your ability to sell shares if the fund's weekly liquid assets fall below 30% of its total assets because of market conditions or other factors.

For information on total returns (a historical measure of fund performance, including change in share price, reinvestment of dividends and capital gains, and the effect of any applicable sales charge), or for more complete information on any fund available through Fidelity, including charges and expenses, I may visit Fidelity.com, call, or write for a free prospectus. I should read it carefully before I invest or send money.

Fidelity Dividend Reinvestment Service Agreement

Upon my enrollment, I agree to the following terms and conditions governing the Fidelity Dividend Reinvestment Service (the "Service") to be provided by Fidelity Brokerage Services LLC ("you" or "Fidelity") and National Financial Services LLC ("NFS"):

1. Provision of Fidelity Dividend Reinvestment Service. My enrollment in the Service will be activated on the day I notify you by telephone, or within 24 hours after receipt of my notification, in a form and manner acceptable to you, that I wish to enroll an eligible security. Upon activation of my enrollment, I agree to be bound by this Fidelity Dividend Reinvestment Service Agreement (this "Agreement") as well as any other agreements between us that apply to my Fidelity BrokerageLink® Account. I may direct you to add the

service to either all eligible securities in my account or selected eligible individual securities. My enrollment authorizes you to automatically reinvest cash dividends and capital gain distributions paid on such eligible securities held in my account (collectively, "dividends") in additional shares of the same security. To add or remove the Service with respect to securities in my account, I must notify you of my election at or before 9 p.m. Eastern time (ET) on the dividend record date for such security. If the dividend record date falls on a nonbusiness day, I must notify you at or before 9 p.m. ET one business day prior to the dividend record date for such security. Dividends will be reinvested on any shares of all enrolled securities, provided that I own such shares on both the dividend record date and the dividend payable date. Dividend reinvestment does not ensure profits on my investments and does not protect against loss in declining markets. You reserve the right to terminate or amend the Service and this Agreement at any time, including instituting commissions or transaction fees. Prior to the effective date of any such amendments, you shall provide notice thereof to me.

2. Eligible Accounts. The Service is available to Fidelity Brokerage customers who maintain cash, margin, retirement brokerage accounts, or Fidelity BrokerageLink® accounts.

3. Eligible Securities. To be eligible for the Service, the enrolled security must be a closed-end fund, common stock, or foreign security (generally American Depositary Receipts [ADRs]) that is margin eligible (as defined by NFS), be held in street name by NFS (or at a securities depository on its behalf), and not be held as a short position.

In order for my enrollment to be in effect for a given security, my position in that security must be settled on or before the dividend record date. Foreign securities and short positions are not eligible for the Service.

If I attempt to enroll a security for which I have placed a buy limit order that has not been filled, my enrollment election will be held for five (5) consecutive business days, at which point I must notify Fidelity of my desire to reenroll the security for another five (5) consecutive business days.

If I am holding a security in my account that is ineligible for enrollment, and the security subsequently becomes eligible, any existing account-level reinvestment instructions will take effect for that security.

4. Eligible Cash Distributions for Reinvestment. Most cash distributions from eligible securities selected for participation in the Service may be reinvested in additional shares of such securities, including cash dividends and capital gain distributions, late ex-dividend payments, and special dividend payments. Cash-in-lieu payments, however, may not be automatically reinvested. If I enroll a security in the Service, I must reinvest all of its eligible cash distributions. I understand that I cannot partially reinvest cash distributions. I also understand that I cannot use any other funds in my brokerage retirement account to make automatic reinvestment purchases.

5. Dividend Reinvestment Transactions in Eligible Securities. On the dividend payable date for each security participating in the Service, you will credit my account in the amount of the cash dividend to be paid (less any amounts required by law or agreement to be withheld or debited). Two (2) business days prior to the dividend payable date, you will combine cash distributions from my account with those from other customers requesting dividend reinvestment in the same security and use these funds to purchase securities for me and the other customers on a best-efforts basis. You will credit to my account the number of shares equal to the amount of my funds to be reinvested in a particular security divided by the purchase price per share. If several purchase transactions are required in order to reinvest my and other customers' eligible cash distributions in a particular security, the purchase price per share will be the weighted average price per share for all such shares purchased. Under certain conditions, a dividend may be put on hold by the issuing company. If a dividend is on hold on the payable date, reinvestment will not be performed. If a dividend is released from hold status after the dividend payable date, dividend reinvestment will be performed on the day the dividend is actually paid. The reinvestment of dividends may be delayed in certain circumstances. NFS reserves the right to suspend or completely remove securities from participation in dividend reinvestment and credit such dividends in cash at any time without notice.

If I liquidate shares of an enrolled security between the dividend record and the business day prior to the payable date, such shares will not participate in the Service and I will receive the dividend as cash in the core account. If I liquidate shares of an enrolled security on the dividend payable date, such shares will participate in the Service.

I will be entitled to receive proxy voting materials and voting rights for an enrolled security based on my proportionate shares. For mandatory reorganizations, I will receive cash in lieu of my partial shares. For voluntary reorganizations, instructions I give you will be applied to my whole shares and the partial shares will be liquidated at market price.

6. Partial Shares. Automatic reinvestment of my eligible cash distributions may give me interests in partial shares of securities, which you will calculate to three decimal places. I will be entitled to receive dividend payments proportionate to my partial share holdings. If my account is transferred, if a stock undergoes a reorganization, or if stock certificates are ordered out of an account, partial share positions, which cannot be transferred, reorganized,

or issued in certificate form, will be liquidated at the closing price on the settlement date. The partial share liquidation transaction will be posted to my account on the day following the settlement date. I may not liquidate partial shares at my discretion. If I enter an order to sell my entire whole share position, any remaining partial share position will be liquidated at the execution price of the sell and will be posted to my account on the settlement day. No commission will be charged for the liquidation of the partial share position.

7. Confirmations and Monthly Statements. In lieu of separate immediate trade confirmation statements, all transactions made through the Service will be confirmed on my regular Fidelity BrokerageLink® account statement. I may obtain immediate information regarding a dividend reinvestment transaction on the day after the reinvestment date by calling my Plan's toll-free number or by viewing my account at **Fidelity.com**.

8. Continuing Effect of Authorization; Termination. I authorize you to purchase for my BrokerageLink® account shares of the securities I have selected for the Service. Authorizations under this section will remain in effect until I give you notice to the contrary at or before 9 p.m. ET on the dividend record date. If the dividend record date falls on a nonbusiness day, notice must be given at or before 9 p.m. ET at least one business day prior to the dividend record date. Such notice will not affect any obligations resulting from transactions initiated prior to your receipt of the notice. I may withdraw completely or selectively from the Service. If I transfer my account within Fidelity, I must reenroll my securities for reinvestment.

9. Automatic Dividend Reinvestment Transactions through the Depository Trust Company. I understand that if I elect to participate in the Service, reinvestment for certain securities may occur through the Depository Trust Company dividend reinvestment service (the "DTC program"). DTC and the issuer determine which securities participate in the DTC program. Only certain eligible DTC program securities will participate in the Service, and such eligibility is determined by you. I can obtain immediate information regarding DTC-eligible securities by calling my local Fidelity Investor Center or Fidelity's 24-hour toll-free number.

Securities eligible for reinvestment through the DTC program portion of the Service cannot participate in the market purchase portion of the Service. If a DTC-eligible security subsequently becomes DTC-ineligible, and I have elected dividend reinvestment for that security, I will automatically continue to participate in the market purchase portion of the Service for that security, provided that it is eligible for the Service. If a DTC-ineligible security subsequently becomes DTC-eligible, and I have elected dividend reinvestment for that security, I will continue to participate in the Service through the DTC program portion of the Service for that security. No communication regarding these changes will be provided to me.

You will post the DTC program transaction to my account when the details, including determination of any discount, are made available to you by DTC. Such transactions, although not posted to my account on the dividend payable date, will be effective as of such date. If I liquidate my shares after the dividend record date but before the DTC program reinvestment is posted to my account, I will receive the dividend in cash.

Resolving Disputes — Arbitration

This Agreement contains a predispute arbitration clause. Under this clause, which I agree to when I sign my account application, Fidelity and I agree as follows:

- (a) All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- (b) Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- (c) The ability of the parties to obtain documents, witness statements, and other discovery is generally more limited in arbitration than in court proceedings.
- (d) The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
- (e) The panel of arbitrators may include a minority of arbitrators who were or are affiliated with the securities industry.
- (f) The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- (g) The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.

All controversies that may arise between me and Fidelity concerning any subject matter, issue, or circumstance whatsoever (including but not limited to controversies concerning any account, order, or transaction, or the continuation, performance, interpretation, or breach of this or any other agreement between me and Fidelity, whether entered into or arising before, on, or after the date this account is opened) shall be determined by arbitration through the Financial Industry Regulatory Authority (FINRA) or any United States securities self-regulatory organization or United States

securities exchange of which the person, entity, or entities against whom the claim is made is a member, as I may designate. If I commence arbitration through a United States self-regulatory organization or United States securities exchange and the rules of that organization or exchange fail to be applied for any reason, then I shall commence arbitration with any other United States securities self-regulatory organization or United States securities exchange of which the person, entity, or entities against whom the claim is made is a member. If I do not notify Fidelity in writing of my designation within five (5) days after such failure or after I receive from Fidelity a written demand for arbitration, then I authorize Fidelity to make such designation on my behalf. The commencement of arbitration through a particular self-regulatory organization or securities exchange is not integral to the underlying agreement to arbitrate. I understand that judgment upon any arbitration award may be entered in any court of competent jurisdiction.

No person shall bring a putative or certified class action to arbitration, or seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action or who is a member of a putative class action and who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement, except to the extent stated herein.

FundsNetwork® Funds

Through FundsNetwork®, the account provides access to over 5,000 mutual funds. At the time you purchase shares of funds, those shares will be assigned either a transaction fee (TF), a no transaction fee (NTF), or a load status. When you subsequently sell those shares, any applicable fees will be assessed based on the status assigned to the shares at the time of purchase.

Fidelity Brokerage Services LLC, or its affiliates, may receive compensation in connection with the purchase and/or the ongoing maintenance of positions in certain mutual funds in the account. FBS may also receive compensation for such things as systems development necessary to establish a fund on its systems, a fund’s attendance at events for FBS’s clients and/or representatives, and opportunities for the fund to promote its products and services. This compensation may take the form of sales loads and 12b-1 fees described in the prospectus; marketing, engagement, and analytics program participation fees; maintenance fees; start-up fees; and infrastructure support paid by the fund, its investment advisor, or an affiliate.

The following are the different types of FundsNetwork Funds:

1) FundsNetwork No Transaction Fee Funds

All Methods: No transaction fees* Most NTF Funds will have no load. Certain NTF Funds will be available with the load waived.

Short-Term Trading Fees

Fidelity charges a short-term trading fee each time you sell or exchange shares of a FundsNetwork NTF fund held less than 60 days. This fee does not apply to Fidelity funds, money market funds, FundsNetwork Transaction Fee funds, FundsNetwork load funds, or shares purchased through dividend reinvestment. In addition, Fidelity reserves the right to exempt other funds from this fee, such as funds designed to achieve their stated objective on a short-term basis. The fee will be based on the following fee schedule:

Online: \$49.95 flat fee

FAST®: 0.5625% of principal (25% off representative-assisted rates); maximum \$187.50, minimum \$75

Representative-assisted: 0.75% of principal; maximum \$250, minimum \$100

Keep in mind that the short-term trading fee charged by Fidelity on FundsNetwork NTF funds is different and separate from a short-term redemption fee assessed by the fund itself. Not all funds have short-term redemption fees, so please review the fund’s prospectus to learn more about a potential short-term redemption fee charged by a particular fund.

**Fidelity reserves the right to change the funds available without transaction fees and reinstate the fees on any funds.*

2) FundsNetwork Transaction Fee Funds

Purchases

Online: \$49.95 or \$75 per purchase. To identify any applicable transaction fees associated with the purchase of a given fund, please refer to the “Fees and Distributions” tab on the individual fund page on Fidelity.com.

FAST®: 0.5625% of principal per purchase; maximum \$187.50, minimum \$75

Representative-assisted: 0.75% of principal per purchase; maximum \$250, minimum \$100

These fees may be waived for certain types of periodic investment accounts.

Redemptions

Fidelity does not charge a transaction fee on any redemption of shares of a transaction-fee fund that were purchased with no load. A fund’s own redemption fees may apply.

You can buy shares in a transaction-fee fund from its principal underwriter or distributor without a Fidelity transaction fee.

3) FundsNetwork Load Funds

A fund’s sales charges may apply. Fidelity does not charge a transaction fee on a load fund. A fund’s own redemption fees may apply.

AUTOMATIC INVESTMENTS

If allowed by your plan, you may establish instructions to automatically invest your future BrokerageLink contributions into specific mutual funds.

Before you can set up Automatic Investments, you must first meet your plan’s minimum initial investment requirement, which can be found in the *BrokerageLink Fact Sheet*. To meet the minimum, you may execute an exchange to BrokerageLink. Upon settlement of this exchange (usually the next business day), you must then designate a portion of your future contributions to BrokerageLink through your plan’s Investment Elections (www.netbenefits.com > Change Investments > Investment Elections).

Once this has been completed, you may then choose to automatically invest in up to 20 mutual funds out of the full universe of funds available within the BrokerageLink account.

Automatic Investments can be set up online or by contacting a Fidelity representative through your plan’s toll-free number. Please keep in mind that fund minimums are not applied in all situations to BrokerageLink investors.

STOCKS / ETFs

Online: \$0.00 per trade

FAST®: \$12.95 per trade

Representative-assisted: \$32.95 per trade

The remuneration that Fidelity receives and keeps as described in this section applies to transactions and activities involving securities including, but not limited to, domestic (U.S.) equities traded on national exchanges, exchange-traded funds (ETFs), and U.S.-traded foreign securities (ADRs, or American Depositary Receipts and ORDs, or Ordinaries).¹ For details on foreign stock trading, see the Foreign Stocks section. Large block orders requiring special handling, restricted stock orders, and certain directed orders may carry additional fees which will be disclosed at the time of transaction.

In addition to the per trade charges identified above, Fidelity's remuneration also includes a fee that is charged on all sell orders ("Additional Assessment"). The Additional Assessment, which typically ranges from \$0.01 to \$0.03 per \$1,000 of principal, is charged by Fidelity. Fidelity uses the Additional Assessment to pay certain charges imposed on Fidelity by national securities associations, clearing agencies, national securities exchanges, and other self-regulatory organizations (collectively, "SROs"). The SROs in turn pay the SEC using the money they collect from Fidelity and other broker dealers. The Additional Assessment that Fidelity charges you is designed to offset the charges imposed on Fidelity by the SROs, which in turn are intended to cover the costs incurred by the government, including the SEC, for supervising and regulating the securities markets and securities professionals. You acknowledge, understand, and agree that Fidelity determines the amount of the Additional Assessment in its sole and exclusive discretion, and that the Additional Assessment may differ from or exceed the charges imposed on Fidelity by the SROs. These differences are caused by various factors, including, among other things, the rounding methodology used by Fidelity, the use of allocation accounts, transactions or settlement movements for which a fee by the SROs may not be assessed, and differences between the dates of changes to rates charged by the SROs. You understand, acknowledge, and agree that Fidelity has made no representation that the Additional Assessment charged to you will equal the fees assessed against Fidelity by the SROs in connection with your transactions. The Additional Assessment is in addition to the commissions we charge (i.e., the per trade charged identified above), and is included on your trade confirmation as a part of the Activity Assessment Fee. For the exact amount of the Additional Assessment charged on a particular transaction, please contact a Fidelity representative.

Fidelity Brokerage Services LLC ("FBS") and/or NFS receives remuneration, compensation, or other consideration (such as financial credits or reciprocal business) for directing orders in certain securities to particular broker/dealers or market centers for execution. The payer, source, and nature of any compensation received in connection with your particular transaction will vary based on the venue that a trade has been routed to for execution and will be disclosed upon written request to FBS. Please refer to Fidelity's customer agreement for additional information about order flow practices and to Fidelity's Commitment to Execution Quality (http://personal.fidelity.com/products/trading/Fidelity_Services/Service_Commitment.shtml) for additional information about order routing. Also review FBS's annual disclosure on payment for order flow policies and order routing policies.

FBS has entered into a long-term, exclusive and significant arrangement with the advisor to the iShares Funds that includes but is not limited to FBS's promotion of iShares funds, as well as in some cases purchase of certain iShares funds at a reduced commission rate ("Marketing Program"). FBS receives compensation from the fund's advisor or its affiliates in connection with the Marketing Program. FBS is entitled to receive additional payments during or after termination of the Marketing Program based upon a number of criteria, including the overall success of the Marketing Program. The Marketing Program creates significant incentives for FBS to encourage customers to buy iShares funds. Additional information about the sources, amounts, and terms of compensation is described in the ETF's prospectus and related documents.

The ORF has ranged from \$0.03 - \$0.05 per contract but is subject to change at any time. You acknowledge, understand, and agree that Fidelity determines the amount of the Options Fee charged to you and its other customers in its sole and exclusive discretion, and that the Options Fee amount collected from you by Fidelity may differ from or exceed the ORF that Fidelity pays to OCC. You understand, acknowledge, and agree that Fidelity has made no representation that the fees assessed to you will equal the fees assessed against Fidelity by the OCC in connection with your transactions. This Options Fee is in addition to your commission and is included on your trade confirmation as a part of the Activity Assessment Fee.
